Cont. from page 1, Column 2. . . . . ballroom dancing to be a great escape from the sounds and smells of sawing, nailing, and painting during home reconstruction. Jackie enjoys playing classical music while Scott, who loves literature, reads and writes.

Jackie has completed the Master Gardener's program and hopes one day to grow an organic vegetable garden. New activities for both include oil painting and music. Scott especially loves to paint portraits since he finds people of all backgrounds fascinating to observe and draw.

**Continued! Exploring a new Dance Location!**

Later we can rent tables and chairs at a low cost from Guilford Grange but do not yet have way to get them transported every month. If you know of someone who would be available to do this at a reasonable price, please contact Donna Guinard at 336-852-8791. You will be notified regarding the day of casting your vote on whether or not to continue dancing at "ExtravaDance."

A map and more information will be in the next newsletter. Thank you for your patience as we have searched for an appropriate venue for our dances.
